

# DATA SCIENCE

WITH PYTHON IBM Certificate

Analytixpro

## WHY DATA SCIENCE?

- 01** Data Science, Machine Learning and Artificial Intelligence are the HOTTEST COMMODITY in the 21st Century
- 02** Data Scientists command some of the HIGHEST PAYING JOBS from the tech start-ups to the fortune 500 companies in the world
- 03** USED IN ALL INDUSTRIES to solve business challenges with unprecedented autonomy across various domains and departments
- 04** The data age is here and it is here to stay which means a huge demand for the Data Scientists. It is THE PRESENT AND THE FUTURE
- 05** Data science is about more than a cushy salary. Many of the organisations and fellowships work with government and non-profit groups. MAKE A DIFFERENCE with your work
